Gail Somodi

Bureau of Land Management Government Land Office

will discuss land description and finding the location of the land patent on a map.Sus

<https://glorerecords.blm.gov/>

Websoil survey

<https://websoilsurvey.sc.egov.usda.gov/App/HomePage.htm>

Sanborn Fire Insurance maps

Discuss a few tidbits that can be attained by studying these maps

<https://www.loc.gov/collections/sanborn-maps>

World Cat

A world library catalog, use to prepare for genealogy trips to gather a list of potential resources to find in local libraries, for example.

<https://www.worldcat.org/>

Seymour Historical Society

As an example....seek out historical and genealogical society websites and museums for areas you are researching. They have their own collections/archives in many cases, also visit them if you take a genealogy trip

<http://www.seymourhistory.org/>

Roster of Nebraska Volunteers....as a example, use Google books and other sources to look for books online (county histories, civil war books etc.

https://openlibrary.org/works/OL7852729W/Roster_of_Nebraska_volunteers_from_1861-1869

Rough Rider Museum website, in transition, had more online archives to view, still useful good to know about if you have anyone you are researching who was a Rough Rider.

Carolyn Grinton - Canada

I use this site a lot. It's from my local library home in Brantford, Ontario Canada. What it shows the day page number column that a B/M/D appeared it. Then I have to go to library and get the paper from the microfiche. It helps a lot. I collect that info then spend a day researching. Also you never know other libraries may offer.
